

ATLANTIC®

With a fifty-six years of experience, ATLANTIC CHINA WELDING CONSUMABLES, INC. grew out of CHINA WELDING ELECTRODE PLANT, which is the first welding consumable manufactory in China and nowadays it has become a public listed incorporation as well as the leading one in China. The famous trademark "ATLANTIC" was registered in 1950. The headquarters of ATLANTIC is located in Zigong which covers an area of 99,900 meter squares and it has 6 sub-factories in China. The real output of ATLANTIC products is 250,000 metric tons in 2005. The "ATLANTIC" welding consumables are more than 300 types, which divided into welding electrodes, welding wires and automatic welding fluxes three categories. The products include mild steel electrodes, cellulose electrodes, high toughness electrodes, low alloy steel electrodes, hardfacing electrodes, stainless steel electrodes, low temperature steel electrodes, Mo and Cr-Mo heat resistant steel electrodes, cast iron electrodes; Ni and Ni alloy electrodes; wires suitable for MAG, MIG, TIG, SAW and FCW welding; fluxes are classified into fused, sintered (agglomerated) and bonded types for submerged arc welding (SAW) and electroslag welding (ESW).

The "ATLANTIC" welding consumables have excellent quality and have been enjoyed a high reputation. They are widely used in power station boilers, pressure vessels, nuclear and space industries, bridges, ships, vehicles, petroleum and chemical industry, hydropower and thermal power stations, metallurgical industries, skyscrapers, heavy machine equipment, and offshore drilling platforms etc. at home and abroad. Such as world known projects: Three Gorges Project on Yangtse River and Xiaolangdi Key Water Control Project on Yellow River; Qinshan, Tianwan and Lingao (Daya Bay) Nuclear Power Station; The 4,000km long West-to-East Gas Transmission Pipe Line, etc. The main products of "ATLANTIC" are approved by the China Classification Society (CCS), Lloyd's Register of Shipping (LR), American Bureau of Shipping (ABS), Bureau Veritas (BV), Germanischer Lloyd (GL), Det Norske Veritas (DNV), Nippon Kaiji Kyokai (NK), PT. Biro Klasifikasi Indonesia (BKI) as well as Canadian Welding Bureau (CWB). Lloyd's Register Quality Assurance (LRQA) approves the ISO 9001 Quality Management System of ATLANTIC CHINA WELDING CONSUMABLES, INC.
