MIG 220 AC/DC

AC/DC Pulse TIG/HF + True Multi Process 4 in 1 Mig/Stick Package

- MIG/Stick/AC/DC Pulse TIG/HF in one machine to weld in any condition for multiple materials
- Digital Display, 4.3" Color screen
- 4 Drive Roller System
- Comes with MIG and TIG Torch

PACKAGE INCLUDES

- MIGARC 25 Torch 4Mtr
- TIGARC 26 Torch 8Mtr HF
- Earth Lead
- Argon Regulator
- 15Amp Single Phase Plug

SAFETYARC Welders Jacket XL, ARC1 1000F True Colour Helmet, MIG25 Consumable Starter Kit

Product Code: MM200ACDCP

\$2995.00/EA

TIGARC® RED 200 AC/DC Pulse TIG Package

- AC/DC TIG, MMA
- TIG Pulse function and all Pulse parameters can be adjusted
- HF ignition: easy arc striking
- Microprocessor
- Intelligent protection

PACKAGE INCLUDES

- TIGARC 26 Torch 8Mtr HF
- Earth Lead
- Argon Regulator
- 15Amp Single Phase Plug

Product Code: TMR200ACDCP

\$1595.00 /EA

TIGARC Tungsten Grinder 1.6/2.4/3.2/4.0mm

The TIGARC benchtop tungsten grinder is for quick, easy and consistent tungsten electrode preparation for improved TIG welding performance.

- Portable and energy efficient.
- Multi-angle grinding

Product Code: TTG

\$850.00 /EA

PLASMATECH

CEA PLASMA CUTTING DIVISION

BUILT IN COMPRESSOR

CEA Shark 35 230V Plasma Machine Package

SHARK 35 is a new compressor plasma solution by CEA that evolves the lightweight and handy characteristics of SHARK 25 chassis with a more powerful inverter and compressor. Shark 35 is the best solution for anyone who needs the maximum portability and power possible.

SHARK Compressor is the best choice also for light fabrication work, agriculture and car body repairs.

MADE IN ITALY

PACKAGE INCLUDES

- SK25 4Mtr Torch with back striking technology

Product Code: PCS35

\$2373.00 /EA

CEA Shark 45 230V Plasma Machine Package

Powerful and light SHARK 45 single phase plasma cutting equipment with PFC is the ideal choice for car body repairs, agriculture and maintenance. PFC device ensures big cutting power coupled with a contained consumption.

- PFC Power Factor Correction - 16 A fuse
- High power professional air flow circulation
- Electronic control for an excellent cutting quality

MADE IN ITALY

PACKAGE INCLUDES

- SK65 4Mtr Torch with back striking technology

Product Code: PCS45

\$2261.00 /EA

CEA Shark 75 400V Plasma Machine Package

The powerful and compact SHARK 75 is an excellent and efficient solution for medium and light cutting and fabrication work. Its consistent cutting performance enables the highest cutting standards in all circumstances. The SK75 HPC

High-Performance-Cutting technology torch offers a powerful and concentrated cutting beam allowing higher cutting speeds.

Smart Start Transfer and Smart End Cutting functions efficiently permits both initial and final cutting phases.

MADE IN ITALY

PACKAGE INCLUDES

- SK75 6Mtr Torch with high performing cutting technology

Product Code: PCS75

\$3696.00 /EA

CEA Shark 105 400V Plasma Machine Package

Powerful, robust and compact, SHARK 105 absolutely grants high productivity in the toughest cutting operations without any compromise - cuts are always precise and ensure the highest cutting results in all applications.

The SK125 Torch provides top quality at high speed with High-Performance-Cutting technology, granting a powerful and concentrated cutting beam. Smart Start Transfer and Smart End Cutting functions permit both initial and final cutting phases in the best way.

MADE IN ITALY

PACKAGE INCLUDES

- SK125 Torch with high performance cutting technology

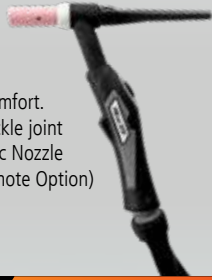

Product Code: PCS105

\$4513.00 /EA

Flexi Head TIG Torches

TIGarc® Torch 17 8Mtr HF Gas Cooled

- Flexi-Head
- 150 Amp AC/DC @ 60% Duty cycle
- Durable full length Rubber and leather Cover
- Knuckle joint for easy and accurate movement
- Ergonomic Handle Grip reducing operator fatigue and discomfort.
- Flexible leather section that covers the first metre from knuckle joint
- Comes with Long Back Cap, Collet, Collet Body and Ceramic Nozzle
- HF ON/OFF Button Switch (switch interchangeability for Remote Option)
- All TIGarc™ Tig Torches conform to CE-60 EN 60974-7

Product Code: TTT178F

\$265.00 /EA

TIGarc® Torch 18 Black Series 8Mtr HF Watercooled

- Flexi-Head
- 350A DC, 260A AC @ 100% Duty Cycle
- Durable full length Rubber and leather Cover
- Knuckle joint for easy and accurate movement
- Ergonomic Handle Grip reducing operator fatigue and discomfort.
- Flexible leather section that covers the first metre from knuckle joint
- Comes with Long Back Cap, Collet, Collet Body and Ceramic Nozzle
- HF ON/OFF Button Switch (switch interchangeability for Remote Option)
- All TIGarc™ Tig Torches conform to CE-60 EN 60974-7

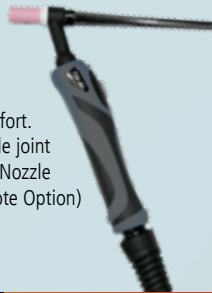

Product Code: TTT188F

\$315.00 /EA

TIGarc® Torch 20 8Mtr HF Water Cooled

- Flexi-Head
- 250 Amp AC/DC @ 60% Duty Cycle
- Durable full length Rubber and leather Cover
- Knuckle joint for easy and accurate movement
- Ergonomic Handle Grip reducing operator fatigue and discomfort.
- Flexible leather section that covers the first metre from knuckle joint
- Comes with Long Back Cap, Collet, Collet Body and Ceramic Nozzle
- HF ON/OFF Button Switch (switch interchangeability for Remote Option)
- All TIGarc™ Tig Torches conform to CE-60 EN 60974-7

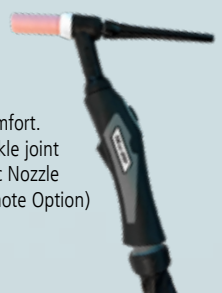

Product Code: TTT208F

\$220.00 /EA

TIGarc® Torch 26 Black Series 8Mtr HF

- Flexi-Head
- 200A DC, 150A AC @ 60% Duty Cycle
- Durable full length Rubber and leather Cover
- Knuckle joint for easy and accurate movement
- Ergonomic Handle Grip reducing operator fatigue and discomfort.
- Flexible leather section that covers the first metre from knuckle joint
- Comes with Long Back Cap, Collet, Collet Body and Ceramic Nozzle
- HF ON/OFF Button Switch (switch interchangeability for Remote Option)
- All TIGarc™ Tig Torches conform to CE-60 EN 60974-7

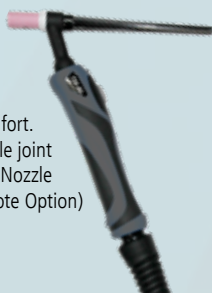

Product Code: TTT268F

\$285.00 /EA

TIGarc® Torch 9 8Mtr HF Gas Cooled

- Flexi-Head
- 110 Amp AC/DC @ 35% duty cycle
- Durable full length Rubber and leather Cover
- Knuckle joint for easy and accurate movement
- Ergonomic Handle Grip reducing operator fatigue and discomfort.
- Flexible leather section that covers the first metre from knuckle joint
- Comes with Long Back Cap, Collet, Collet Body and Ceramic Nozzle
- HF ON/OFF Button Switch (switch interchangeability for Remote Option)
- All TIGarc™ Tig Torches conform to CE-60 EN 60974-7

Product Code: TTT98F

TIGarc Pro Series Medium Stubby Gas Lens Kit 1.6/2.4/3.2mm

KIT INCLUDES

- TIGARC Collet Body Medium Stubby, 45V25S 1.6mm x2, 45V26S 2.4mm x2, 45V27S 3.2mm x2
- TIGARC Collet Stubby, 10N23S 1.6mm x5, 10N24S 2.4mm x5, 10N25S 3.2mm x5
- Stubby Gas Lens, Front Heat Shield
- Medium Stubby Gas Lens Ceramic Nozzle, 54N12SW #10 x2, 54N14SW #8 x2, 54N15SW #7 x2, 54N16SW #6 x2
- TIGARC Tungstens Pro-Strike Multi Mix (10/Pkt)
- TIGARC Back Cap, Short 57Y04 x2, Medium 57Y05 x2, Long 57Y02 x2

Product Code: TSKGLM

\$185.00 /EA

Furick Starter Kit Pyrex/Ceramic 17/18/26 Series 1.6-3.2mm

This Kit carries the popular consumables a welder will need to get almost any job done

KIT INCLUDES

- Furick Torch insulator
- Jazzy 10 Ceramic (DC Only)
- Fupa 12 Ceramic (DC Only)
- Fupa 12 Glass (DC Only)
- 2- #8 ceramic Gas lens mount cups (AC and DC)
- 1- #8 Pro Glass (AC and DC 180 amps)
- 2 #5 Ceramic Collet body mount cups
- Gas Lens 11617GL 1/16, 33217GL 3/32, 12517GL 1/8 (Genuine FURICK)
- Wedge Collets 1 of each size 1/16, 3/32 and 1/8 (Genuine FURICK)
- Stubby Collet bodies 1/16, 3/32 and 1/8
- Jazzy 10 and Fupa 12 install tool with 1 spare diffuser of Jazzy and Fupa 12
- Back Cap assortment small, medium and large
- MK14 Ceramic (DC Only)
- BBWSG19 Ceramic (DC Only)
- BBWSG19 Glass (DC Only)
- 10 pack o'rings
